PROFESSIONAL RESEARCH INTERESTS AND EXPERTISE –

- Sequence Stratigraphy and Sedimentology
- Petroleum Systems Analysis
- Unconventional Resource Assessment

REGIONAL AND BASIN EXPERIENCE –

- North American
- South American
- Global Overviews

EDUCATION –

- 1974 B.A. in Geology, State University of New York, College at Fredonia
- 1977 M.S. in Geology, University of South Carolina
- 1981 Ph.D. in Geology, University of South Carolina

MEMBERSHIPS –

- AAPG Certified Petroleum Geologist AAPG No.3867
- State of Texas Geoscientist License No. 2711
- State of Utah - Professional Geologist License 5234452-2250
- Utah Geologic Association

HONORS AND AWARDS –

- U.S. Department of Energy Secretary - Secretary of Energy Unconventional Resources Technology Advisory Committee (URTAC) - 2007
- Lead scientific delegation to Tripoli, Libya to assist U.S. Department of State to evaluate re-deployment opportunities for Libyan weapons scientists to energy industry - 2005
- SEPM Vice Chairman for 2003 AAPG/SEPM Annual Meeting, Salt Lake City, Utah
- Session Co-convenor, SEPM/AAPG: Depositional Systems from Reservoirs to Basins, American Association of Petroleum Geologists Annual Meeting, San Antonio, Texas, 1999.
- Session Co-convenor, SEG/AAPG: 3-D and Time-Lapse Reservoir Characterization, American Association of Petroleum Geologists Annual Meeting, Salt Lake City, Utah, 1998.
- Founding member of Texas Oil and Gas Forum 1996.
- Member, Research Committee, American Association of Petroleum Geologists, 1994 to 2000
- Chairman, Audio-Visual and Speakers Assistance Committee, Gulf Coast Association of Geological Societies, Austin, Texas, 1994.
- Chairman, Field Trip Committee, American Association of Petroleum Geologists Annual Meeting, Houston, Texas, 1988.
